Notes from the 20th AVA Biennial Convention

by Helen Garamone, president

Approximately 500 people attended the recent convention in Billings, MT. The amazing thing was that five people basically put it together. They are to be commended for even attempting such a major event!

Among the many walkers were some faces from our club. I saw Bonnie Recore, Dianne Purdy, and Dana Beales. Other familiar faces from local clubs included Bob and Suzanne Wright, Dee Grenier, Yvonne Pennington and her mother Astrid, and Monica Gowan.

New officers were elected for the next two years. David Bonewicz was voted president, Nancy Wittenburg vice president, Bob Morrison treasurer, and Sam Korff secretary.

One bylaw passed. The National Executive Council will now be known as the Board of Directors and will emphasize national concerns such as fundraising. None of the proposed mascots were selected.

Two Atlantic Region members received major awards. Annette Tollett, president of the Virginia Volkssport Association, was inducted into the Hall of Fame for her

many years of service. Dolores Grenier, president of the FreedomFest Walk Club, received the President's Award for her management of the annual FreedomFest weekend each October.

Lastly, delegates voted to hold the 2019 convention in Albany, New York. Walks are proposed for Portsmouth, NH; Pioneer Valley, MA; Danvers, MA; Waterford, NY; Cooperstown, NY; Saratoga, NY; Albany, NY; and Hudson Valley, NY. The presentation was outstanding!

I attended three workshops. The first one concerned the Electronic Sanction Request process which will be changing in the near future. AVA is working on an improved database which will help simplify paperwork. Plans were to have it go into effect July 1 but subsequent emails have postponed implementation until it has been thoroughly tested.

The second workshop discussed the Ice Age trail in Wisconsin, Sixteen AVA trails are being developed for either late 2017 or 2018.

The third workshop was put on by Scott Isom of Walking Adventures, Inc. I expected the session to highlight upcoming trips but it was something else altogether. Scott discussed his life and how he was a pastor before becoming an international guide. His talk was truly inspiring. The big takeaway was to never stop asking questions and learning.

Convention walks I completed included the Yellowstone River walk, the Brewery tour of Billings, and Swords Rimrock Park overlooking Billings. My favorite walk was a quaint, little town of Red Lodge. Plans were for walkers to drive the Beartooth Highway to Cody, WY, for the last trail on June 11. Beartooth is reputed to be the most scenic road in the United States. Would you believe that the road was closed due to snow the night before? Luckily there was a second route that did not ascend into the mountains that was open.

Thank you for allowing me to represent the NVV at the convention. It was a great experience and I learned a lot!

Save the dates

NVV starts monthly meetings in September. Generally meetings are held the second Monday of each month. The exception is if Fairfax County Schools are closed. So please circle Sept 11 on your calendar! Our 2017-2018 schedule will be formally finalized with Fairfax County Schools next month. Meetings start at

7:30 and last about one hour. The location is the art room at Daniels Run Elementary School, 3705 Old Lee Highway, Fairfax City.

Our fall event is the 8th Annual Oktkoberfest at the Accotink Unitarian Universalist Church in Burke. The volksmarch, choice of 5 or 10 km, will be held Saturday, Sept. 16. Begins 8 a.m. -1 p.m. The trail goes around Burke Lake on paved paths, sidewalks, and natural surfaces. The AVA rating is 1B. The church will be selling German bratwurst and other refreshments. Eat lunch to the tunes provided by the Kings Park German Band.

NVV also supports the Fort Belvoir Oktoberfest. This year it is being held Sept. 30 - Oct. 1.

Your help needed this fall

Both of the above events will require volunteers. Please consider donating two hours of your time! Thank you in advance!
